Subject: ETBE and TBA: REDLINES!
Attachments: ETBE_draft Supplemental showing changes in response to ERC_4-29-15.docx; ETBE_draft Tox Review showing changes in response to ERC_4-29-15.docx; TBA_draft Tox Review showing changes in response to ERC_4-29-15.docx

I finally got my computer to work and am on a sugar high from my cupcake...so here are the compare documents for ETBE and TBA. I used the drafts that Jason commented on (including his comment bubbles) and compared to the revised versions the teams just submitted. These redlines should show any changes that have been made as a result of the ERC comments.

Please note that I did not include a compare of the TBA Supplemental because Janice mentioned to me that nothing had changed in that document.

Thanks and sorry for the delay!

Samantha
